The Collector & President Local  
Board - Dhule.

Respected Sir,

We the undersigned residents of  
Savanor, Bankapur, Shiggaon, Gallapur  
Hattimatti & other places most humbly  
beg to inform that for the convenience  
of the Public to arrange for the Road from  
Savanor to Hattimatti Railway Station  
which is only  $4\frac{1}{2}$  miles from Savanor.

The passengers who want to travel by Railway  
are obliged to go to any other Railway Station,  
the people are now undergoing many difficulties  
from robbers on Yalga Road.

Where as the Road from Savanor  
to Hattimatti is now under consideration  
we earnestly pray to your kind board  
help and please arrange for the road. If  
the road work starts now, many poor people  
will have the chance of getting bread there  
being famine now and therefore the road  
will be much more useful to the Public  
Therefore, we most humbly beg to  
arrange for the road work. Awaiting a  
favourable reply. We beg to remain  
Sir

Your most obedient servant

The Dewan Sahib  
Saranoor.

Most. Respected Sir

In enclosing the papers herewith for your kind perusal, I earnestly beg to state, that Bankapur Taluk <sup>late</sup> Mamalatadar had not a least-idea to help regarding road, our attempt was sleeping up today, as the time has come now, and the present Haveri Mamalatadar is very kind regarding the construction of road from Saranoor to Hattimattur Ry. sta., I want to try now only, so I humbly pray to kindly send your Surveyor Mr. Maroolkar one day as far as Talloppur station and see, where and how to bring the road from your boundary to the Ry. sta., and if he advises me and show the place, so that I may go with the Mamalatadar, who is expected here very shortly and show the places, where the road passes, and to arrange further, to fetch the lands by the help of land acquisition act, when this is required officially by T. & S. of Karag. Bankapur and State. As the present Mamalatadar of Bankapur also is very kind enough now to help us regarding this road, must try our best to get over, our attempt to be succeeded now only. Further beg to state that the Dharmasala at Talloppur near Hattimattur Ry. station has been completed and the road will be very soon commenced thro your kindness, & the Vice President of Bankapur is quite prepared to render every sort of help from his T. & S., as far

his endorsement, for the application given in  
person on (20.9.09.)

In case of your travelling on  
any day to any place at any time, I request  
you to please intimate me first and kindly  
come over once at least to this Hattimattur  
station; I shall arrange to stop mail trains  
for your safe journey. If you once please  
pass over this poor station, then it will be  
much more useful to many people.

Mr. Narayan Rao late sub. overseer has been  
transferred from Haveri to Dharwad, and one  
new man Chinga Maistry has come in place  
of him, who is not so much well up with  
this, so I beg your honor to please  
send Mr. Churrooker once, then once  
Karajy Vice President will request  
officially to send your Surveyor's help.  
Therefore I request to send once  
beforehand may excuse trouble

Your obedient servant  
M. Appannaiah  
Station Master  
Hattimattur.

Awaiting merciful reply.

2) It is not clear to them is what is  
exactly wanted. The State has already  
promised funds in a certain proportion

In the construction of the record.  
The mandator of Banker,  
it appears from the paper, has  
only furnished help. Whether this  
subject was placed before the  
Banker's Judicial Board whether  
the Board has agreed to supply  
funds if so in what proportion,  
are matters <sup>to</sup> which no information  
is given.

3) Heaps has no objection to send  
the State Governor of the Station  
Master let the Heaps know when  
he is wanted. Have the estimates  
been framed? How much money  
is required? What proportion of  
the total cost has the Banker  
Jud. L. Board agreed to bear? The  
idea was, that the total cost  
of the record should be borne by the J.L.  
Board of Heaps & Banker &  
the San Francisco State equally & others.

each) :- If funds are made  
available <sup>by the Local Board</sup> & the estimates are  
ready, the work may be undertaken  
at once. This is the time when  
the construction should start  
It is necessary that the estimates should be approved by the  
4) If the Station Master makes <sup>state authorities</sup> a  
convenient time to see the works  
any time, say tomorrow, the  
works may be in a position to know  
what is exactly wanted & what remains  
to be done  
5) It is the manner of the Local Board to take  
an active interest in the matter, the  
work will be constructed without delay
